## LOOKING TO BUILD YOUR NONPROFIT BOARD?

United Way of New York City invites **Bronx nonprofits** to participate in **BoardServeNYC**, a partnership with NYC Service, which links 501(c)(3) nonprofit organizations from across the 5 boroughs to a pool of trained board candidates who are ready, willing and able to serve.

**BoardServeNYC** is **free** to nonprofits of all types; offers **referral and matching services** to help find the right candidate; and provides **support and guidance** to nonprofits on how to effectively engage candidates and utilize new board members.

**BoardServeNYC** is hosting, with the Human Services Council and Women's Housing and Economic Development Corporation, its inaugural Bronx nonprofit orientation session on **June 8, 2010** for participating BoardServeNYC nonprofits.
