- Nonprofits need broad-based, accessible infrastructure funding, and they need it now. This is an impt step in meeting infrastructure needs of a sector that delivers nearly \$6.8B in essential services annually across NYS! [@handle] #StrongNonprofits #BuildingUpNY #InvestinNonprofits
- We need to build up the human services sector! Support capital funding for nonprofit infrastructure to address capital needs not supported by current contracts & promote access for all New Yorkers to sustain our services! #BuildingUpNY #StrongNonprofits #InvestinNonprofits
- We urge NYS to increase its nonprofit infrastructure fund and implement a recurring investment of \$100 million. This is a first step in ensuring that all New Yorkers can access safe, effective services across the State. #StrongNonprofits #BuildingUpNY #InvestinNonprofits
- Most State contracts don't cover the full cost of running essential programs that nonprofits deliver. Lack of funding for capital improvements force nonprofits to delay critical upgrades and repairs. Invest \$100 million to sustain our services! #StrongNonprofits #BuildingUpNY #InvestinNonprofits
- To build healthy communities we need strong foundations for nonprofits. We urge NYS to invest \$100 million in nonprofit infrastructure funding to deliver essential services to NY communities. #StrongNonprofits #BuildingUpNY #InvestinNonprofits
